The caller's cards, one for each sound. Cut them out and shuffle them.

How to play

1. **You need** a board for each player, a page of Frank covers for each board, and these sound cards, all cut out. Coins or buttons make good covers too.
2. **Play.** Shuffle the cards. Turn one over and say the sound out loud. Each player finds **one** picture on their board whose name has that sound, says the word, and covers it. Three in a row wins: across, down or corner to corner.
3. **Put the card back** and shuffle again. There are only a few cards, so the same sound gets called more than once, and that is how a board fills up.
4. **Check with the key.** The last page lists what every picture is. Keep it, and let your child keep guessing rather than telling them the word.
5. **Keep it fun.** Ten minutes is plenty. Stop while they still want another round, and let them win sometimes.
