Unvoiced “th” Word Ladder Answer Key

2 / 2

For the grown-up. How to climb the ladder with your child, and every rung with the letter that changes on it marked.

How to climb it

1. **Adult and kid** read the bottom word together. That one is given, so nobody has to guess where to start.
2. **Adult** reads the next clue up and lets them say the word it describes. Say both words — *clay ... clap* — and ask which sound changed.
3. **Kid** writes the whole word, not just the letter that changed. Then climbs to the next rung.

If a **rung stalls**, say the two words slowly rather than naming the letter. Hearing the swap is the exercise; the spelling follows it.
